

Worksheet 1 - Spying on Earth

A collection of colorful icons representing environmental elements: trees, recycling bins, water drops, sun, and plants. The icons are scattered across a white background with a green border. There are 10 trees of various sizes, 6 recycling bins (green with a white recycling symbol), 4 water drops (blue circles with a white drop), 2 smiling suns (yellow circles with rays), and 6 small green plants with three leaves growing from a mound of brown soil.
